

adoption

Introducing: Adoption U's, Adoptive Parent Training course!

Adoption professionals from all over the U.S. review each step of the adoption process through short videos and interactive activities.

- In short training sessions, learn the ins and outs for the most important steps of the adoption process
- Learn at your own speed to best understand the material
- Interactive training ensures you are armed with the knowledge you need
- Quickly find adoption resources
- Discover specific state adoption laws and processes
- One time fee of \$300 with unlimited access to materials
- **Become Adoption U certified Adoptive Parents**

From the home study to matching, hospital etiquette, post placement communication and more, we will cover a variety of topics so you are well equipped to become adoptive parents.
